On The Outside Looking In . . .

At the beginning of any new endeavor, everyone feels a little on the outside. But the torch of education and activities must be carried on. Therefore we adjust and begin to participate within the organization of the

school. As we become important in our classes and clubs, we are

caught looking for our homerooms . . .

thinking about the new friends we'll make . . .

finding familiar faces . . .

wondering how we'll ever pass English ...

solving our little problems ...

feeling very relieved that we made it through the day!

Suddenly we find ourselves involved in classes and activities, feeling a little more on the inside every day. Then that fateful day when we pass the torch of Classen High School on to the next student body, we realize that all along we really were ...

The Board Of Education Helps

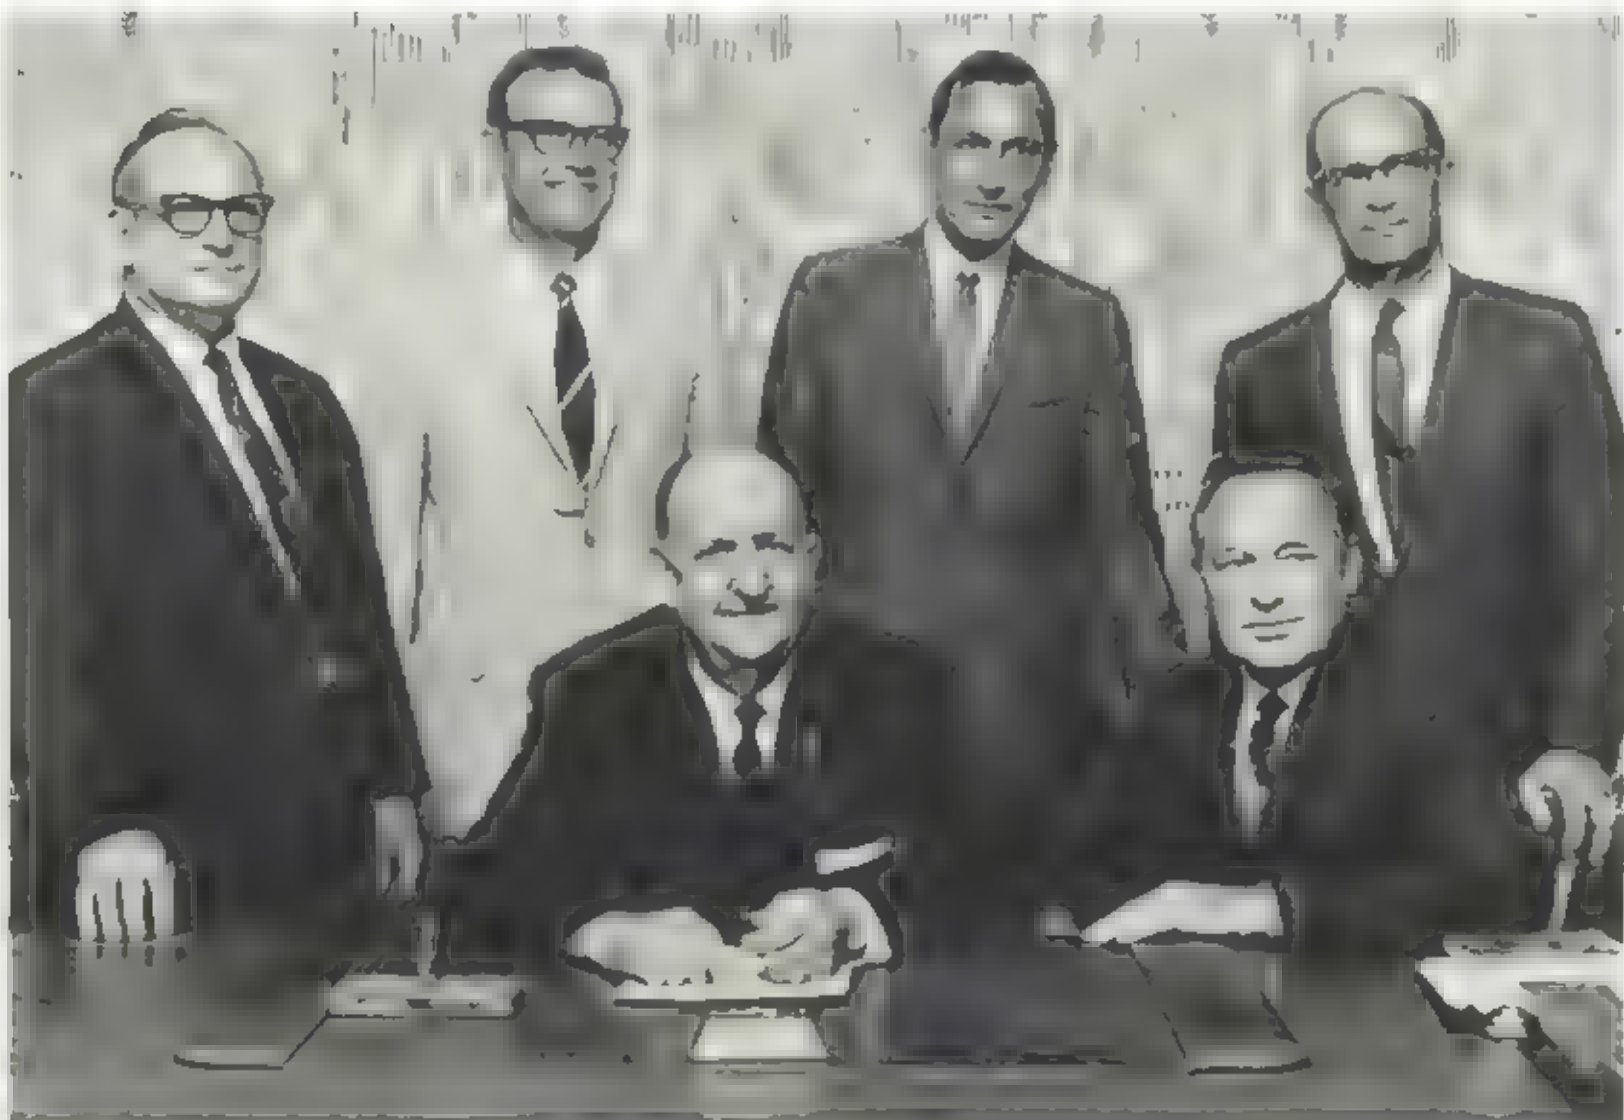

Two to three million dollars are spent each month in running Oklahoma City public schools! Once a month our Board of Education must review every single item in the eighty to one-hundred-fifty page budget. That in itself is a big job, but there is far more to membership on the Board of Education than handling financial matters. There are legal, policy, and business matters of the school system and these too must be passed through the Board of Education. Also, this year, in addition to regular jobs, the Board of Education has set up workshops and planning sessions, and has adapted new materials for our use.

The family relationships with the School Board this year are the best yet due to Dr. Lillard's interest in teachers and the problems. Dr. Lillard, a former teacher himself, has a very good rapport with the teachers of our school system. He has unified teachers so that all are working for a common goal.

We appreciate these men who are so concerned with our educational development.

DR. BILL LILLARD
Superintendent of Schools

Standing are Mr. Melvin P. Rogers, Mr. W. R. Yinger, Dr. Lillard, Mr. William F. Lott. Seated are Mr. Foster Estes, President, and Dr. Virgil T. Hill, Vice President.

DR. WAYNE EARNEST

Ed.E., Oklahoma University

When looking in at the beginning of this school year, we received a welcome and a great boost from two men to whom we are grateful and of whom we are proud. In our administrators—Dr. Wayne Earnest and Mr. George Atwood—we have found a dedication and an understanding equal to any we might require. And as we look with pride on all that they have made possible for us, many heartfelt thanks go out to them as this school year draws to a close.

Classen High School has a student body and staff comparable to the finest found anywhere in America. I believe that the 1969 ORBIT reflects this. The ORBIT staff is to be highly commended for their excellent product.

The 1969 ORBIT will serve as a remembrance of those who will leave us at the end of the year. As these fine students leave, new ones will come to fill the vacancies in the classrooms of our school, but none can come to take their places. I shall miss each one. Best wishes to each of you for health and happiness in the future.

Classen's three counselors this year are Mr. DeBose, Mrs. Stone, and Miss O'Neal. They are very busy when enrollment time comes. They also make transfers, help seniors in selection of colleges, and carry on achievement tests throughout the year.

Mr. DeBose: did you see this transfer? Some boy signed up to modern dancing.

You have no excuse for missing class!

Mrs. Thompson, our new nurse, is in the clinic from 8:00 to 4:00. During the year Mrs. Thompson will be screening sophomores to check for difficulties in vision, hearing, and teeth. She also sends monthly reports to the Board of Education on the number of illnesses, tests given, and how many people are seen in the clinic. She is very busy but never too busy to help those who are ill.

Student Council Sponsors Success At Classen

RAY MOON
President

The education of students in democracy is the purpose of Student Council. In the Student Council one can learn enough of democracy to allow him to realize the tremendous potential each individual has in the advancement of his school. By the democratic process each person in our school has a vote and an opinion on anything confronting our school. This awareness fostered the organization of a Student Council for everyone's benefit. To advance the students of Classen is to advance Classen. Knowledge of the democratic processes gained in Student Council enables each person to better initiate personal responsibility in his school and in his future life.

Each year there are new challenges at Classen. But this year as in no other year in the history of Classen, will our student body be faced with such a tremendous change. We are in the main stream of America and we are setting a great example for generations to come. Classen and Central, as we all knew them before, are gone. Everywhere there are new and different situations. The potential of Classen can only be attained if the student body realizes the necessity of working together for the good of all Classen students. This is the goal of the Student Council, to make progress together.

The Key Club is a service club, organized to perform various duties and provide needed services for the school and community. Some of the services performed are "Toys for Tots," ringing bells for the Salvation Army during Christmas, providing Christmas dinners for needy families, and sponsoring mixers for the school.

The Key Club also founded the Courtesy Club which serves the community in the same manner, in addition to ushering for various events. This year the Courtesy Club sponsored a Christmas party for the children in Children's Memorial Hospital.

Das Deutsch Becomes Path For New Club

The German language is now being offered to Classen students, and is being taught by Mrs. Tilsner. The purpose of the German Club is to help students to get better acquainted with Germany, its customs, and its people.

At the annual Chuckwagon carnival members of the German Club set up a German Bier Garten where entertainment and refreshments were provided.

SAFETY Council

The Safety Council, under the leadership of Mr. McCollom and Mr. Ladd, has undertaken many projects to improve the safety conditions at Classen. New lines have been painted in the parking lot, cars have been registered, and the possibility of a new student parking lot has been explored. But the Safety Council sponsors fun, too. The Christmas dance was the major social project of the Safety Council this year.

Safety Council officers are Jannice Flurry, president; Lesta Maddox, vice president; Paula Reynolds, secretary; Jean McClure, historian; Anna Raschischena, parliamentarian; Jenny Raschischena, chaplain; Bill Kidd, treasurer.

Science Club Experiments With Enthusiasm

The Science Club is more active this year than it has been for quite some time. Interest runs high as members develop projects for the Science Fair and plan field trips for the year.

A trip to the Stovall Museum at OU in December and one to the Planetarium were

planned. A proposed trip to the Institute of Marine Sciences in Port Aransas, Texas, over spring break was met with enthusiasm.

The Science Club hopes to stimulate interest in the many fascinating fields of science for all students. Exhibits are set up in the showcases in the halls for this purpose.

Science Club officers are Mike Wilds, president, Mike Schwartz, vice-president; Mr. Alan Jones, sponsor; Nancy Coon, secretary, treasurer.

Student store aides are Nancy Hamilton, Betty Hale, Geri Beamguard, Lorie Hibshman, Linda Ardery, Mrs. Freberger, sponsor; Mary Schmitt, Alexa Miller, and Marilyn Phillips.

Thespians

With everyone getting into the act, Thespians shared the spotlight with representatives from the other fine arts fields and received no less than the congratulations and applause of everyone. Through the opportunities presented in the form of speech tournaments and the school play, interested students developed talent and represented Classen in a unique way.

Speech And Drama Departments Keep Classen In The Spotlight

The National Forensic League is comprised of students who have earned a certain number of points by doing public speaking.

Classen has a rich past in the field of competitive speech. Our NFL chapter holds more national trophies than any other high school in the United States. The NFL is hoping to maintain this record and keep winning at tournament for Classen. The group is sponsored by Miss Sue Ellen Read.

"Actually, it's very simple—I think," sponsor Mr. Menichiallo explains to staff members Mike Pearson, Joann Shaver, Becky Luze, Jimmy Davidson, Sharon Short, and Dick Miller.

Classen Life Lives On!

Admiring their handiwork are staff members Keith Head, Cindy Short, Tom Luze, Susan Fichtmaster, Barbara Bassett, Urban Gordon, Paula DeGraffentaid, and Randy Moore.

"Makes for pretty good reading," decide staff members Ann Sinclair, Linda Bassett, Judy Holland, Steve Klopp, Tom LaCoste, Linda Hobson, Becky Lay, and Carrie Modlin.

Take one copy sheet, add a cupful of news, a teaspoon of originality, a dab of printer's ink, preferably on nose, add a pinch of excitement for flavor, let rise in warm place for fifteen minutes, and come up with a bit of

CLASSEN LIFE

Filling the minds of the Classen LIFE staff full of literary thoughts, their hearts full of enthusiasm, and their ears full of printer's ink, sponsor Mr. Menichiallo surveys the scene as his staff brings once more to the printer the copy, to the student body a paper, and to Mr. Menichiallo—a headache?

Editor Joann Shaver sweeps the school with her editorials, catching, blasting, boosting—keeping us on our toes, as she and her staff not only write news, but help make it!

In short, the Classen LIFE staff is one of the best things happening to Classen High School this year!

Orbit '69!

More appropriately deemed "Pandemonium '69," this year's ORBIT staff has tried to make this year's ORBIT the best yet.

Behind the big front of commotion the staff put on was actually a very well-organized plan, initiated by editor Anita Kirkland and sponsor Mrs. Sibyl Tilsner. They spent hours in planning, discussing, screaming, crying, and generally putting things in order.

No yearbook staff is complete without a photographer. To prove the excellence of this year's staff, we offer as evidence Martin Decker and Wayne Pettit—our TWO photographers! To these two staff members go the credit for the "sneak shots" of YOU in action!

In putting in their two cents' worth toward making this a great school year and a great ORBIT, the ORBIT staff has put forth their best.

"Is Mrs. Tilsner around?" wonder staff members Melinda Jacks, Gal Cox, Penny Jaques, Wesley Gresham, Wayne Pettit, Linda Tuma, Mary Pugsley, and Kathleen Lilley. Not pictured is Donna Colley.

Editor Anita Kirkland expounds profound thoughts as staff notables Debbie Dane, layout editor, Linda Tuma, art editor, Mrs. Sibyl Tilsner, sponsor, and Melinda Jacks, business manager, anxiously (?) await words of wisdom.

"She's right behind you!" staff members Debbie Dane, Nancy Coin, Charles Snoddy, Kathy Harryman, Martin Decker, Anita Kirkland, DeDe Bryant, Judy Elswick, and Linda Steele are told.

Royalty

ORBIT Queen Debbie Dane and Man of Distinction, Richard Carr entertain Classen students while royalty pictures are being taken at the Chanderre Club.

Debbie Dane truly deserves to be Classen's top queen. ORBIT Queen was established in the 1940's. Since then it has been considered the greatest of the honors in the area of royalty. Nomination is based on scholarship, character, leadership, and service to the school. Debbie qualifies in all these areas. During senior high Debbie has been a member of Comes Pep Club, Student Council, Honor Society, Choir, Spanish-American Club and has served as an officer in many of these organizations. She was a Senior Activities usher her junior year and is presently serving as head cheerleader and layout editor of the ORBIT. She was nominated for Spring Sports Princess and was elected Princess of Friendship. In the campaign and election of ORBIT Queen, Debbie was sponsored by the Comes Pep Club.

Debbie and All Sports Queen, Carmen Forrester, lead classmates in cheers at a pep assembly.

In Mrs. Crowe's absence, Debbie steps in to direct the choir in the Christmas assembly.

Debbie rehearses with Mr. DeBose and Sylvester Smith for their number in an assembly.

Seniors

1969

To many, this simply means that another year has come and gone. To seniors, this means the year of fulfillment. Plans begun years ago have come to completion. Friendships formed earlier become deeper as the time for separation draws near. Seen in the perspective of graduation, all activities have a meaning which they formerly did not have.

1969

The senior class became united, the football team was rated No. 1!!!!; Urban Gordon became the topic of conversation, senior boys led in spirit, and the mighty Comets went to state play-offs.

1969

Great Books proved to be T.G.F.W. (too gruesome for words), ACT tests discouraged everyone, Christmas vacation finally arrived!! The talent show was a smashing success and seniors contracted a case of "senioritis."

1969

Card games in physics, a test in trig, scholarship applications, leading in spirit, contemplating the years ahead, graduation, all of this spells out SENIOR YEAR—the year of fulfillment.

Officers Lead In Senior Activities

Senior Class president, Jim Oswalt, and vice-president, Lafayette McCoy, finalize plans before the class meeting

The Anton H. Classen Medals Of Honor

The Classen Medals of Honor are awarded to the senior boy and the senior girl whose high school records are most outstanding, and who show the greatest promise of achievement in the future.

These medals are given on the basis of scholarship, strength of character, and qualities of leadership and citizenship.

Recipients of the highest awards given at Classen High School are Terry Stephen Mitchell and Anita Kirkland.

The two senior boys ranking highest in scholarship, citizenship, character, and leadership receive the Anton H. Classen Awards.

The Ella D. Classen Awards are given to honor the memory of Mrs. Classen, and the two senior girls ranking highest in scholarship, citizenship, character, and leadership are the recipients.

Comets Advance With Complete Success

Head coach Jess Ladd and his assistants Roscoe Cogburn and Dennis Huggins are the driving forces of the Comet football team. Coach Cogburn is not pictured

The Classen Comet, which has remained dormant for 23 years, retaliated this year, proving to the city and state that success in football is not a thing of the past

The first hint of such an upset came when the Comets defeated Woodward 20-14, and the next week outclassed Star Spencer 24-14. Classen pride was then wounded slightly when Lawton Eisenhower beat the Comets 31-16, but one week later we were on the warpath again. This time Northeast was on the agenda, and after a bitter struggle, the Comets were pronounced the victors 6-0

Now, with nothing to hold us back, the Classen football team proceeded to hand out defeats, one to McGuinness 16-8, and then one to St. Mary 22-0. The next week was Homecoming and the Comets did a royal job of beating Putnam City West 30-0. Carl Albert and Carnegie were then proven to be 'no contest' for Classen as they were defeated 22-6 and 32-14. Finally, the Comets met El Reno and ended one of Classen's most outstanding seasons by winning 24-0.

Comets Progress

As a result of the spirit, pride, and unity which has prevailed at Classen throughout the year no one was satisfied with the simple title of Conference Champs. The football team and the student body had far better goals in mind. These goals began to materialize when Classen was invited to participate in the Post-Season State Play-offs. Classen's chances for the title of State Champs, however, were ended abruptly when Stillwater beat the Comets 38-12. Nevertheless, everyone at Classen is very proud of the fantastic effort on behalf of the coaches and players of Classen High School.

Coach Ladd sets a good example of sportsmanship

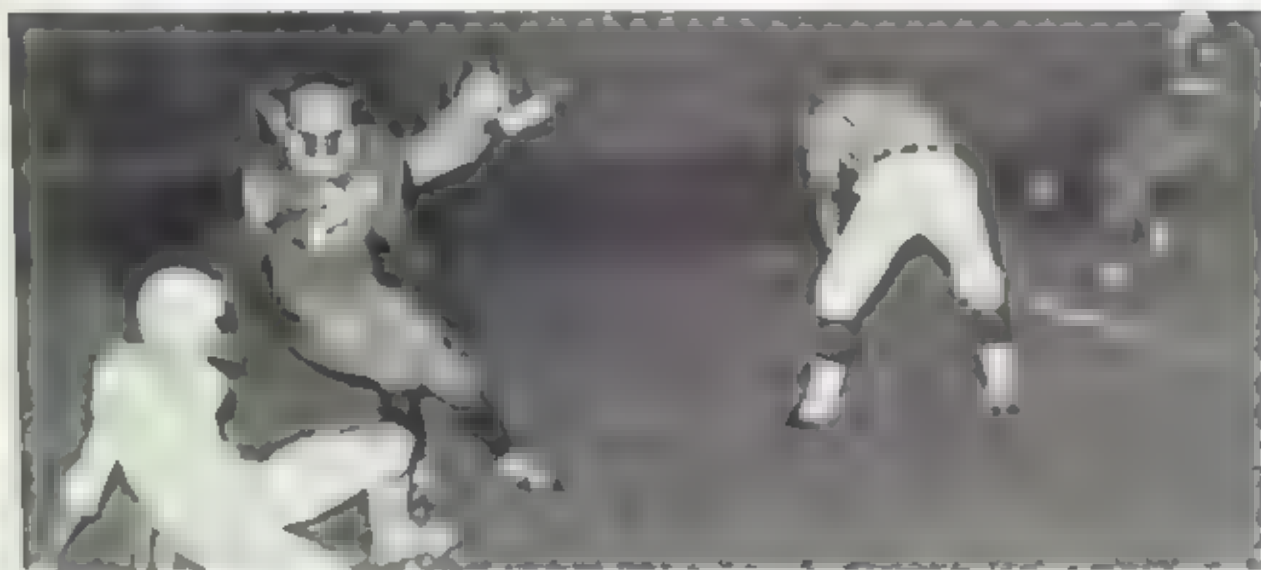

Headback Buddy Trotter was a tough opponent for all of Cassen's foes.

Arthur Zambrano led the Comets on offense.

To State Play-Offs

Bob Massad's many good punts were extremely valuable to the Comets.

Managers are Kyle Buchanan and Warren Ward.

Jimmy Edwards was too good for the Stillwater defense as this touchdown run proves.

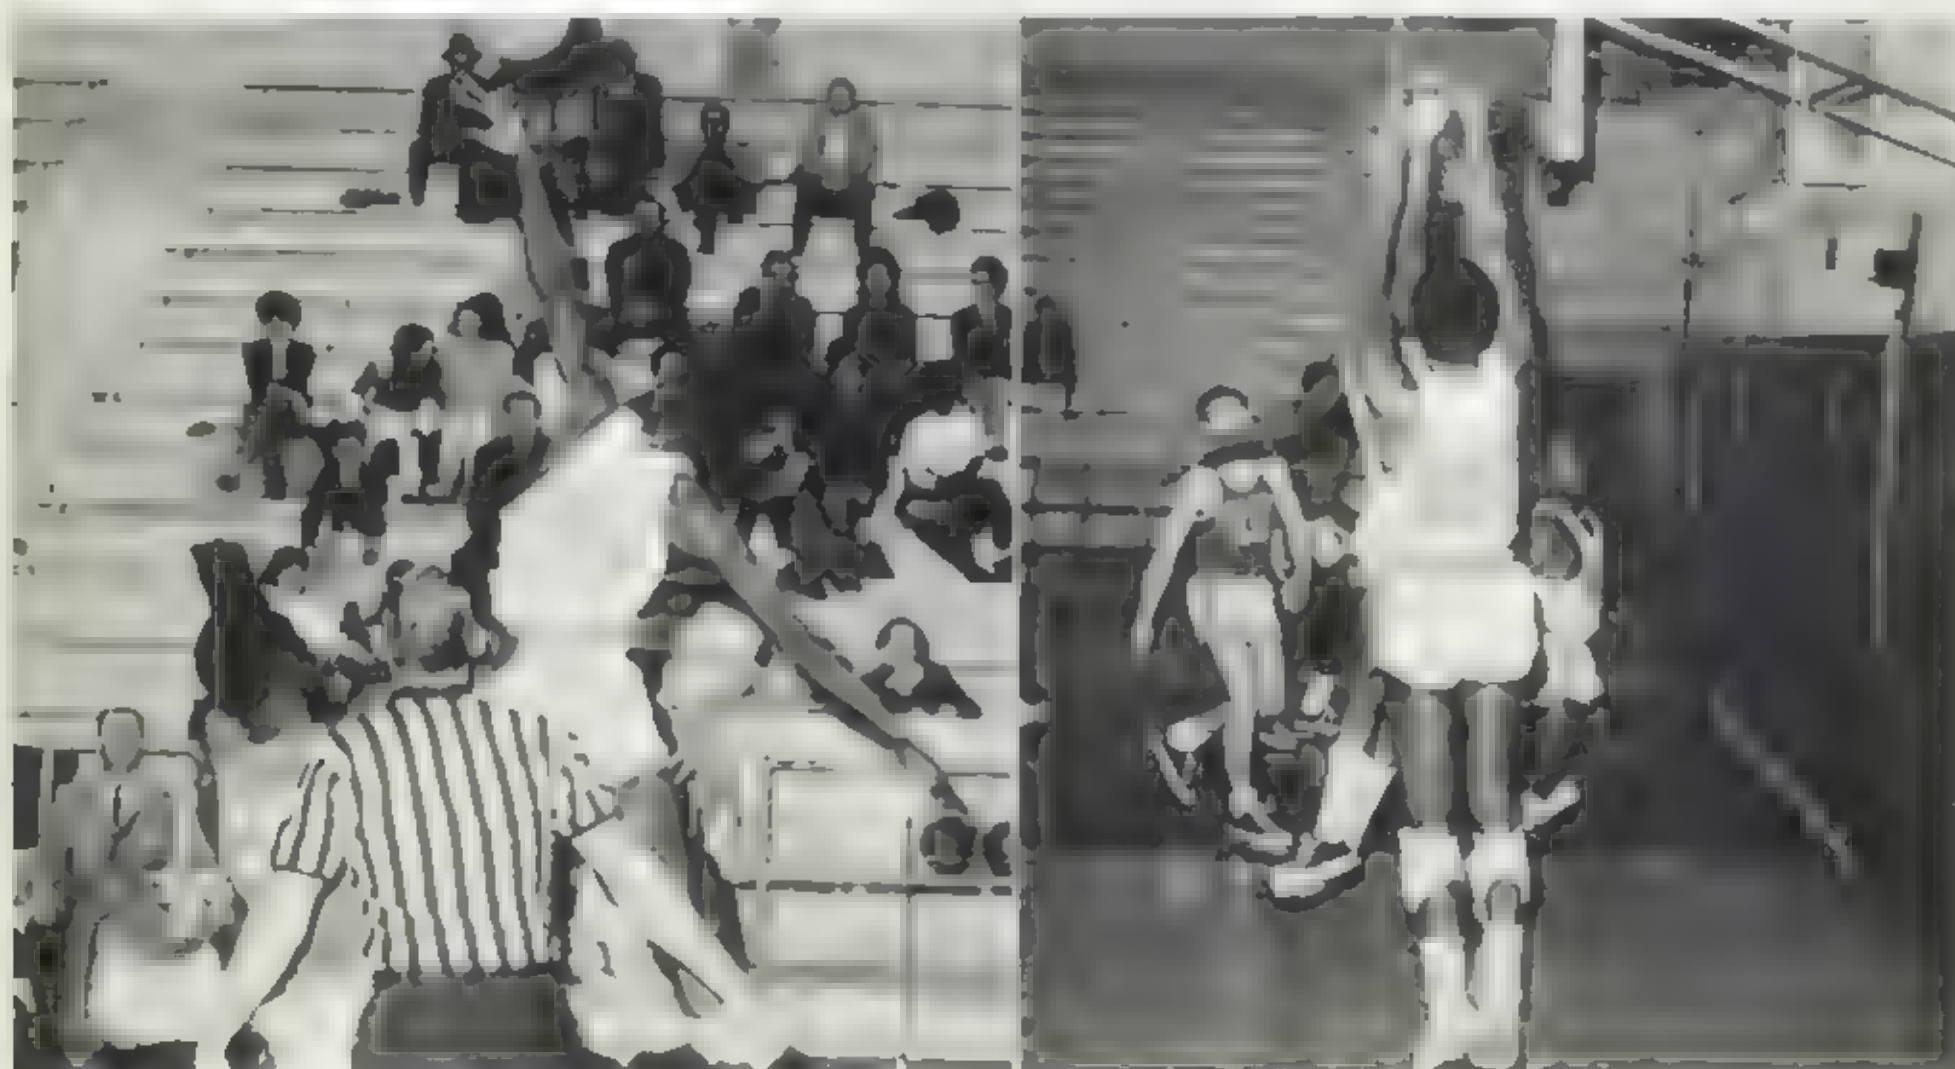

Gordy Watson breaks a long run against Putnam City West.

This year basketball at Classen High School would be considered by many people to be in its rebuilding stage. The team started out in good shape but with a handicap. This handicap was due to the extended football season, which reduced the amount of practice for the basketball team. The first game came only

a week and a half after practice started. Nevertheless, as the season progressed, the team continually improved and finally became a threat for the title of conference champs. The basketball team has displayed winning effort and determination this year.

Dedication Proves Successful

For many years the Classen wrestlers have undergone many sacrifices and devoted many hours to their sport. However, these burdens have not been in vain, as this season has proved.

Several hours of daily practice, plus the hardship of losing up to twenty pounds, became as common as breathing to these young men. Nevertheless, they met this challenge with high spirits and determination, knowing that eventually they would be rewarded.

Because of their dedication Classen High School is ranked among the highest in the state, and these wrestlers can enjoy the prestige which goes along with the title. To these loyal Comets we extend a well-deserved salute

Mr. Tom DeSpain, assistant wrestling coach, receives instructions from David Cathay, one of the outstanding wrestlers on the Comet team.

*Somebody says you're a great guy. God
 bless you all just because you're all here in
 the world and you're all here in the world.
 The 1969 ORBIT is dedicated to the student body of Classen High
 School, and to the Seniors, in particular, for whom this is the last
 remembrance of their high school years. Whether one continues
 his education in college or begins a career, the experiences of
 high school are indeed valuable.*

It is truly a privilege for me to present this yearbook and the work that went into it to my fellow students, and at this time to thank several people who have cooperated with and contributed to the production of this book. To Mrs. Tilsner, our sponsor, the editors, the staff, the faculty, Wagner's Studio, Taylor Publishing Co., and the Chandelle Club, I'd like to express special gratitude. For lasting memories of love and pride, the ORBIT is given proudly and with love
